All Competitions Matter

Qualified stats added to metric from CCC, Leagues Cup, US Open Cup, MLS Cup Playoffs

Players who lead club to playoffs get a $500k in value bonus. Players who fail to lead club to playoffs get a deduction of $500k in value.

Players that make it to MLS Cup Championship Match get an additional $1m. raise in value.

Extra competiton Bonus based on minute play:

30+min=$300, 60+mins.=$600, 90+mins. $900
Minutes bonuses are capped. They do not add together

MLS Next Pro (MXP) stats will NOT count towards MLS value.

To be MLSM qualified, players must scored 10 Goals, 10 Assists in MXP competition.
If MXP player is promoted to major league club via signage, he'll have to score
5 goals total from major competitions to enter metric (MLS, CCC, LC, USOC)

International Duty Bonus

Player will receive $1k rise in value each time he earns a spot-on national club. The $1k bonus is for every national duty competition including friendlies

Absent Charges:

Injury (Counted as Absent)

Suspension counted as Absent with stipulation:

Yellow Card: additional $25k in deduction.
Red Card: additional $75k deduction.
deduction charge affects all competition

Non-Injury Inactive (NII)

$300k deduction per competition missed.

What Counts as NII?

A Baller Not signed to club or signed but inactive for unknown reason.
Baller sitting out match due to rumored trade, sale, or loan.
Baller sitting out match due to behavioral/off-field issues.

Goalies

Starting 2026 Goal Keepers will be included in the metric. Entry requirement is
5 Clean Sheets total from MLS competition. Clean Sheets are shutouts in matches opposing team does not score. Goalies must be active for full 90 mins. in those 5 shutout matches.

Goal qualified stats:
- Wins $100k.
- Clean Sheets $75k.
- Saves $25k
- Goals Allowed = GDRO -$50k.
- Loss -$100k.
